## ARTIST OVERVIEW & PERFORMANCE

Nicholas Lupu is a contemporary crossover and pop-opera vocalist performing internationally across gala evenings, concert programmes and high-profile corporate events, including large-scale private and branded occasions.

His repertoire centres on internationally recognised film themes, modern crossover titles and classic standards, delivered in structured live formats suited to formal black-tie settings as well as large-scale event environments.

He performs with orchestra, live band, pianist or professional backing tracks, adapting duration and programme flow to suit each event context.

### Performance Contexts

- Gala evenings
- Corporate and brand events
- Award ceremonies
- Concert series
- Special and themed events

### Industry Feedback

*An unforgettable experience. Nicholas Lupu delivered a spectacular performance at our Owners' Gala event, combining strong vocals with a high level of production quality. The performance was polished, engaging, and professionally delivered from start to finish.*
